

From Lab to Market: Translating Discoveries in Green Nanotechnology Into Nanomedicine Products

Kattesh V. Katti, PhD

Curators' Distinguished Professor of Radiology and Physics

Dr. Kattesh Katti, a Margaret Proctor Mulligan Distinguished Professor of Medical Research at MU, will share his experiences commercializing innovations in nanomedicine. A National Academy of Inventors Fellow, Dr. Katti also directs of the university's Institute of Green Nanotechnology and Cancer Nanotechnology Platform.

Friday, Dec. 10, 2021

12 p.m. MST

Register via Zoom

This virtual seminar is brought to you by the University of Arkansas for Medical Sciences, University of Alabama at Birmingham, University of Missouri, University of New Mexico, University of Oklahoma Health Sciences Center, University of Utah and the University of Tennessee Health Science Center.
